### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Justin D. Petruzzelli on 07/23/07.

The application has been amended as follows:

Canceled claims 2-5, 7, 17, 28 and 31-32.

#### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Claims 1, 6, 8-15 and 18-27 and 29-30, when considered as a whole, are allowable over the prior art of record. Specifically, prior art of record fails to teach album preference criteria using the user album preferences and album preference importance values which page creator module having a first genetic engine operable to execute genetic evolution calculations on a first genetic population of album criteria which page creator module having a page evaluation module operable to test said first genetic population for fitness to said album preference criteria which said page creator module being operable to distribute said images to a plurality of

album pages responsive to said testing for fitness to said album preference criteria.

The prior arts made of record and not relied upon are considered pertinent to applicant's disclosure. These are cited as relevant to the application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
